Serving the Community, One Neighbor at a Time

Give homeless men, women, and children HOPE to hold on to!

Operation Hope Tote is Capitol Hill Group Ministry's homeless outreach that provides an opportunity for caring persons like you to give real help to struggling homeless men, women and children in Washington. Hope Totes are small plastic bags you fill with inexpensive items like soap, toothpaste, socks, and non-perishable snacks. These basic supplies can make a big difference in the way homeless people live and feel about themselves.

Here's what you'll receive: We'll send you a complete Operation Hope Tote kit, with as many Hope Totes as you think you can fill. Once your Hope Totes are filled, simply deliver it to our Hospitality Day Center (1338 G Street, SE) for homeless families. Take a tour of our beautiful facility while you're there!

Act now. We need to receive your filled bags at the Hospitality Day Center as soon as you are able to fill them. To help Capitol Hill Group Ministry give homeless people hope to hold on to, detach and mail the perforated info below or call Capitol Hill Group Ministry at (202) 544-0631 for more information.
